Our network is always evolving, so once you've chosen the doctor, other health care professional or hospital you'd like to visit, we recommend you go online to www.myuhc.com. At [myuhc.com](http://www.myuhc.com), you will find the most up to date information about participating network physicians and health care professionals, including credentials, maps and directions, comparisons of hospitals based on quality of care, and various other resources designed to help you make informed decisions about your medical care. Since this information changes frequently, always verify the accuracy of the information directly with the physician, hospital or other healthcare professional. If you do not have access to the Internet, or to verify any doctor or hospital's participation in the network, you can call Customer Care at the toll-free number shown on your UnitedHealthcare ID card.
