**Registration and Refreshments at 8:00 am**

- **What is Kinship Care?**
- **Is there community support for relatives raising children?**
- **How do families find a Kinship Navigator?**

Objectives:

1. Define kinship care and identify some circumstances that can lead to children being raised by relatives.
2. Identify financial and other resources in the community available to kinship caregivers.
3. Discuss legal issues pertaining to kinship care.

This program will focus on issues faced by residents in Montgomery County raising children that are not their own: families dealing with the need for legal, financial and other resources. Specific local community resources for families will be described as well as how to access them.
