Dayton, Ohio
(Free parking)**

Registration and Refreshments at 8:00 am

- **How is the Miami Valley preparing to help with the burden of job loss?**
- **Who are the people facing job and benefit loss?**
- **What are the health concerns related to housing and job loss?**

Objectives:

1. Describe the scope of the foreclosure problem in Ohio and the Miami Valley region.
2. List available services and resources to deal with loss of home, job and health for newly unemployed residents in the Miami Valley.
3. Discuss key issues like predatory lending and where to refer clients for legal, financial and social service needs.

This program will focus on job transition and financial stress on residents in Montgomery County. Specific local community resources for families will be described as well as how to access them. The changing demographics brought on by job loss will also be discussed.
